

**MINUTES OF THE  
STE. GENEVIEVE BOARD OF ALDERMEN  
WORK SESSION  
JUNE 10, 2021**

The work session of the Ste. Genevieve Board of Aldermen was called to order at 6:30 p.m. with the following members present:

Mayor Hassler	
Alderman Joe Prince	Aldерwoman Susan Johnson
Alderman Mike Jokerst	Alderman Jeff Eydmann
Alderman Bob Donovan	Alderman Mike Raney
Aldерwoman Ashley Armbruster	

Absent: Alderman Gary Smith

A motion by Alderman Jokerst, second by Aldерwoman Johnson to approve the Work Session Agenda as presented. Motion carried 7-0-1 with Alderman Smith absent.

Mr. Greg Hilbert addressed the Mayor and Board of Aldermen with a few concerns/questions. The first was concerning the strip of property that the city owns between the former Lucent property on the north side and the railroad tracks on the south side. It was created as a public access point for the adjacent properties to the north, west and south on the other side of the railroad tracks. He would like to purchase the strip but if that is not the Boards wish if it could be given a name so trucks can easily assess the address when be routed for deliveries to the building and possibly maintained on a regular basis. The Board agreed to give it a name.

Mr. Hilbert also asked about the possibility of putting a sign on the City's Property located at the Hwy 61 & Market Street intersection. (North Side) After some discussion the Board suggested some temporary signage at this location as necessary.

Mr. Hilbert asked the procedure to have some residents trim the branches on their trees so the delivery trucks won't have any issues with the limbs hitting their trucks. Dave will contact the owners to see if about getting the residents to trim to what is allowable in our City Code.

With no further business the work session was adjourned at 7:00 p.m.

Respectfully submitted by,

Pam Meyer  
City Clerk
