STE. GENEVIEVE BOARD OF ALDERMEN  
WORK SESSION  
APRIL 28, 2022**

The work session of the Ste. Genevieve Board of Aldermen was called to order at 6:30 p.m. with the following members present:

Mayor Hassler	
Alderman Susan Johnson	Alderman Bob Donovan
Alderman Mike Raney	Alderman Mike Jokerst
Alderman Joe Prince	Alderman Kristi Cleghorn
Alderman Ashley Armbruster	

Absent: Alderman Jeff Eydmann

A motion by Alderman Donovan, second by Alderman Raney to approve the amended work session agenda as presented. Motion carried 7-0-1 with Alderman Eydmann absent.

**BUSINESS ITEMS.**

**CITY HALL MURAL.** Joy French presented a new design for the board to review for a new mural to be painted on the North side/east end of City Hall. The mural would be approximately 10' x 10' and the cost should be around \$375.00 for materials. Alderman Donovan asked approximately how long something like this would last and Ms. French estimated the lifespan of the mural at approximately 20 years. After some discussion it was unanimously decided to allow Ms. French to proceed with the painting of the mural.

**CLOSING PARK RESTROOMS.** Recent vandalism at the Valle Spring Park caused some concern and discussion at the recent Park Board Meeting. The Board directed Steve Wilson to look into purchasing video cameras and recording equipment for the facility and also requested locking the restroom doors at dusk. Alliance is willing to unlock the doors on weekdays that they work but it would require some assistance from the police department for the weekends and the days that Alliance does not work. They also suggested the same process be followed for the Main Street Park restrooms. Chief Bennett recommended trying the camera's and signage stating the facility is under surveillance and see if this helps the situation before resorting to having his department unlock and lock the facilities. The Board recommended that the camera's be bought, signage installed and the facilities remain unlocked.

**ANY OTHER BUSINESS.** None.

With no further business the work session was adjourned at 6:46 p.m.
